TL note: Same why you would ask how a dish was cooked

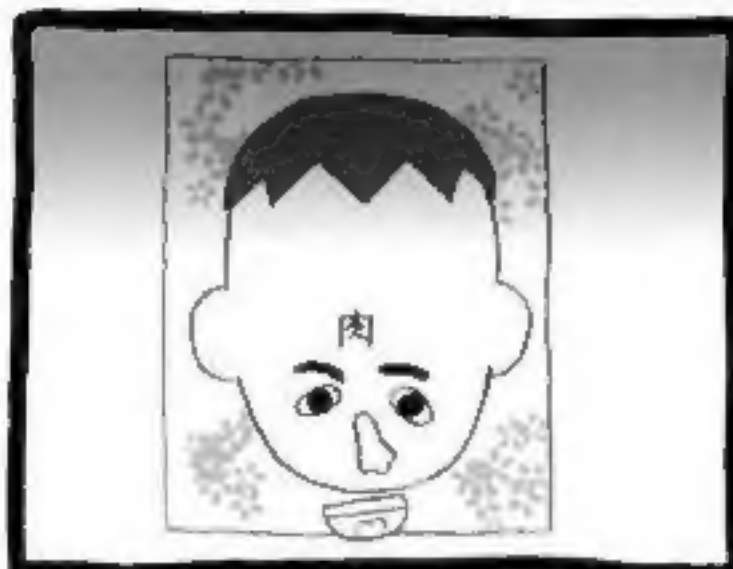

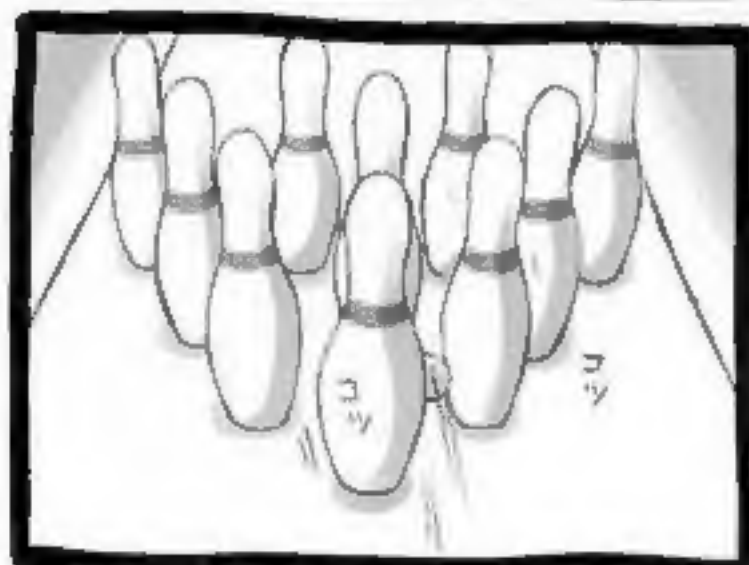

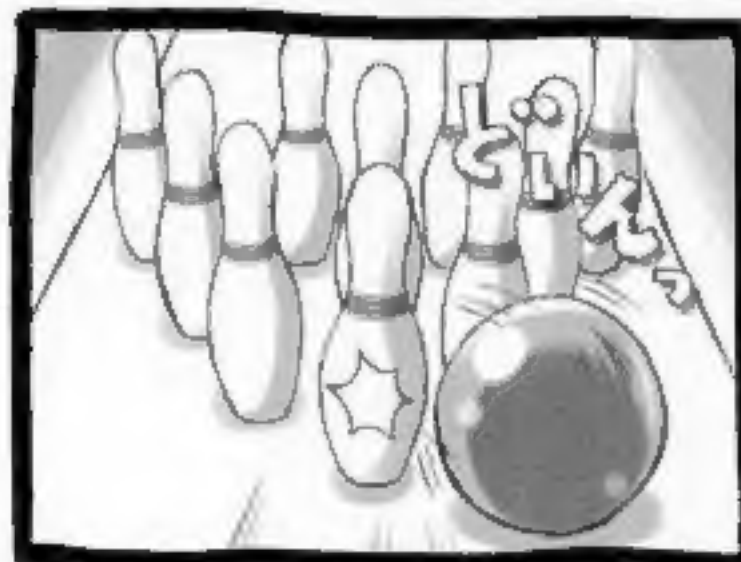

TL Note: New Year's game like Pin the Tail on the Donkey, but instead a face.

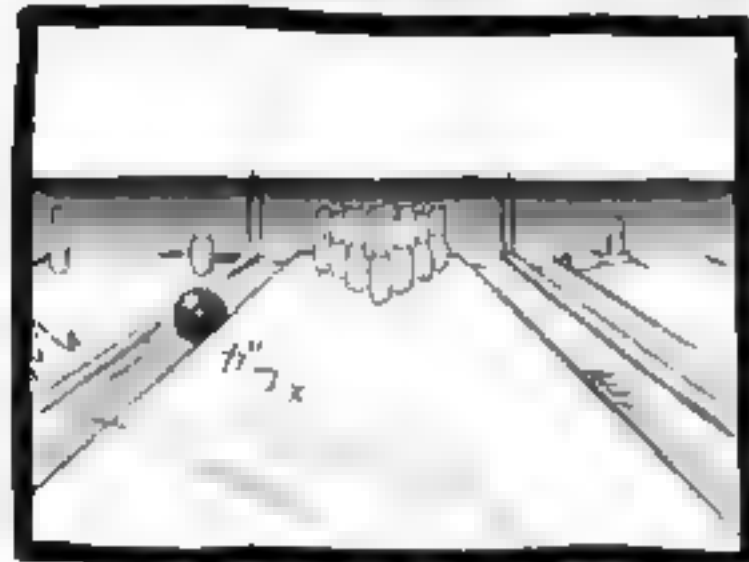

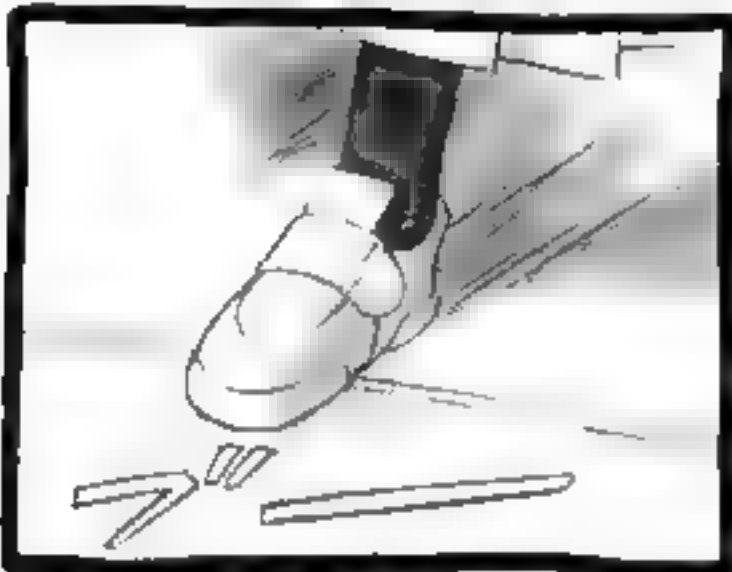

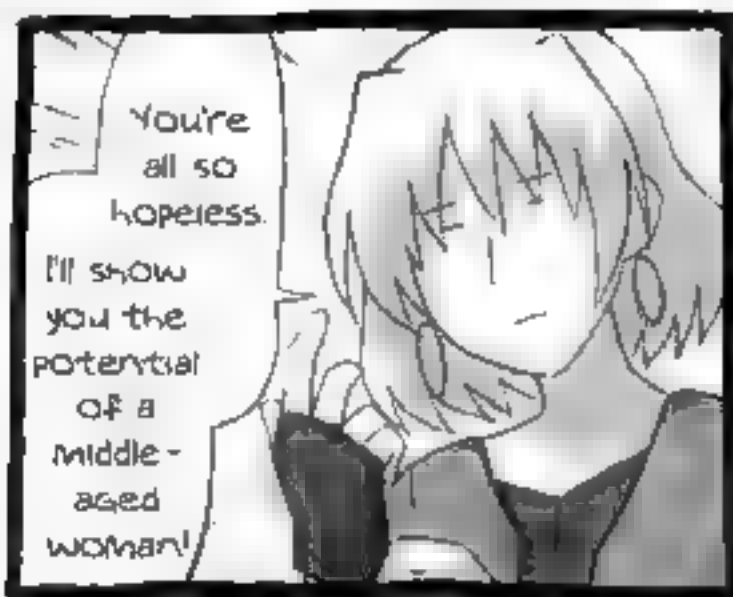

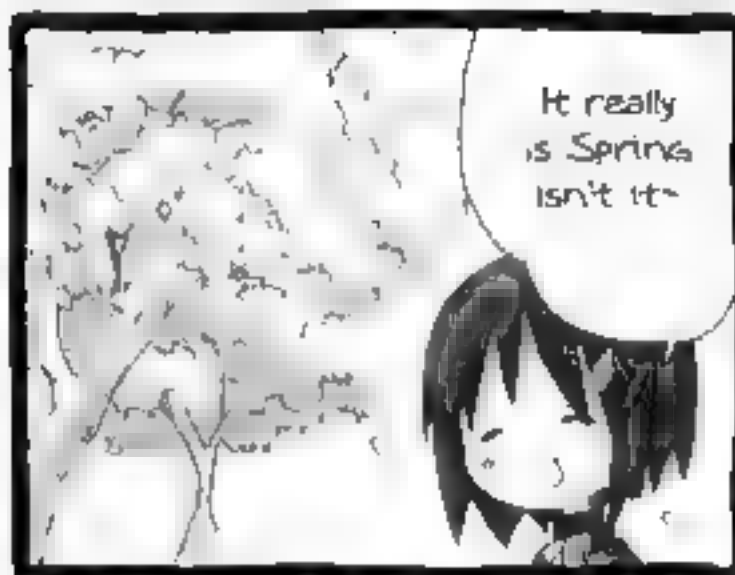

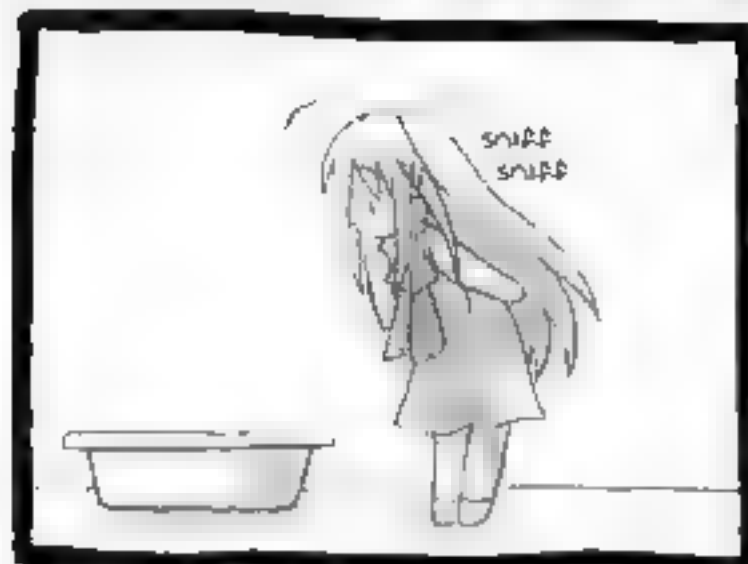

Everyone came for some bowling!

Hayate-chan
made Rein's
temporary
bedroom in
this bag!

It's a
perfect
sized
desk
for Rein!

There's
even a
place
for her
suit!

The bed
is soft
and
fluffy

But...
There's
one thing
that's
inconve-
nient

Since it's
closed
from the
outside,
there's no
handle
inside.
